RESPONSE AND EXPLANATION OF CHANGE: Paragraph (6)(D)8. will be changed to state that self-bond replacement be achieved within ninety (90) days for consistency with other types of bond replacement time frames in this rule.

Such a written guarantee shall be referred to as a "corporate guarantee." The terms of the corporate guarantee shall provide for the following:

applicant and to the director at least ninety (90) days in advance of the cancellation date, and the director accepts the cancellation.

(III) The cancellation may be accepted by the director if the applicant obtains suitable replacement bond before the cancellation date or if the lands for which the self-bond, or portion thereof, was accepted have not been disturbed.

B. The director may accept a written guarantee for an applicant's self-bond from a non-parent corporation guarantor if the guarantor meets the conditions of subparagraphs (6)(D)2.A. through D. as if it were the applicant. The applicant must still meet the requirements of subparagraphs (6)(D)2.A., B. and D. of this rule. The written guarantee shall provide for the following:

5. For a self-bond, the guarantor shall execute an indemnity agreement according to the following:

A. The indemnity agreement shall be executed and signed by all persons and parties who are to be bound by it, including the parent and non-parent corporations, and shall bind each jointly and severally. If the applicant is a partnership, joint venture or a syndicate, the agreement shall bind the partner or party who has a beneficial interest, directly or indirectly, in the applicant;

A copy of the authorization shall be provided to the director along with an affidavit certifying that the agreement is valid under all applicable federal and state laws. In addition, the guarantor shall provide a copy of the corporate authorization demonstrating that the corporation may guarantee the self-bond and execute the indemnity agreement; and

C. Pursuant to 10 CSR 40-7.031(3), the applicant, parent and non-parent corporation shall be required to complete the approved reclamation plan for the lands in default or to pay to the director an amount necessary to complete the approved reclamation plan, not to exceed the bond amount. If permitted under state law, the indemnity agreement when under forfeiture shall operate as a judgement against those parties liable under the indemnity agreement.

6. Self-bonded permittees and third-party guarantors shall submit an update of the information required under subparagraphs (6)(D)2. C. and D. within ninety (90) days after the close of their fiscal years.

7. If the financial conditions of the permittee or the third-party guarantor change so that the criteria of this section are not satisfied, the permittee shall notify the director immediately and post an alternate bond in the same amount as the self-bond.

8. Upon notification that the financial conditions of the permittee no longer satisfy this section, the permittee shall be deemed to be without bond coverage in violation of subsection (2)(A). The director shall issue a notice of violation against any operator who is without bond coverage. The notice shall specify a reasonable period to replace bond coverage, not to exceed ninety (90) days. During this period, the director or his/her authorized agent shall conduct week-

ly inspections to ensure continuing compliance with other permit requirements, the regulatory program and the law. The notice of violation, if abated within the period allowed, shall not be counted as a notice of violation for purposes of determining a pattern of willful violation under 10 CSR 40-7.031(1)(F)2. and need not be reported as a past violation in permit applications under 10 CSR 40-6.030(2) or 10 CSR 40-6.100(2). If a notice of violation is not abated in accordance with the schedule, a cessation order shall be issued requiring immediate compliance with 10 CSR 40-3.150(4). The operator shall also immediately begin to conduct reclamation operations in accordance with the reclamation plan. Mining operations shall not resume until the director has determined that an acceptable bond has been posted.

9. The bond shall be forfeitable upon revocation of the underlying permit.

10 CSR40-7.021 Duration and Release of Reclamation Liability

(2) Criteria and Schedule for Release of Reclamation Liability. Reclamation liability shall be released in three (3) phases.

(B) An area shall qualify for release of Phase II liability when—

1. A permanent vegetative cover that meets the approved reclamation plan and is sufficient to control erosion is in place and no further augmentation of the vegetation is necessary;

2. With respect to woodlands and wildlife areas, the stocking of trees and shrubs has been established in accordance with 10 CSR 40-3.120(7) or 10 CSR 40-3.270(7);

3. The lands are not contributing suspended solids to stream flow or runoff outside the permit area in excess of the requirements of section 444.855.2(10), RSMo, 10 CSR 40-3 and 10 CSR 40-4, the regulatory program or the permit;

4. A plan for achieving Phase III release has been approved for the area requested for release and the plan has been incorporated into the permit;

5. For the prime farmland soils, the soil productivity for prime farmlands shall have been returned to the equivalent levels of yield as non-mined land of the same soil type in the surrounding areas under equivalent management practices as determined from the soil survey performed pursuant to 10 CSR 40-4.030; and

6. Where a silt dam is to be retained as a permanent impoundment pursuant to 10 CSR 40-3.040(10), the Phase II portion of the bond may be released under this subsection as long as provisions for sound future maintenance by the operator or the landowner have been made with the director.

(D) Bond Release.

When determining the amount of bond to be released after successful vegetation has been established, the director shall retain that amount of bond for the vegetated area which would be sufficient to cover the cost of reestablishing vegetation if completed by a third party and for the period specified in 10 CSR 40-7.021(1)(B) for reestablishing vegetation.

3. Phase III—After the operator has completed successfully all surface coal mining and reclamation activities, the director may release the remaining portion of the bond, but not before the expiration period specified for the period of liability in 10 CSR 40-7.021(1)(B).

ORDER OF RULEMAKING

By the authority vested in the Department of Health and Senior Services under sections 208.900, 208.927 and 208.930, RSMo Supp. 2005, the department amends a rule as follows:

19 CSR 15-8.100 Definitions **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on January 17, 2006 (31 MoReg 100-101). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS. The Department of Health and Senior Services received four (4) letters of comments from centers for independent living, vendors for consumer-directed services.

COMMENT: The department received four (4) comments asking to include the loss of family income in the definition of undue hardship. RESPONSE: The department carefully reviewed the comments and notes that undue hardship is a part of the process used to determine a consumer's unmet needs. The department declines to change the definition of undue hardship.

COMMENT: The department received four (4) comments asking for clarification that the consumer is responsible for the oversight and monitoring of the attendant and that the vendor's role is to monitor the consumer's ability to supervise their attendant.

RESPONSE: The department carefully reviewed the comments and will not make changes in the language. The definition of vendor found in section 208.900, RSMo Supp. 2005 states that a vendor is "any organization having a written agreement with the department to provide services including monitoring and oversight of the personal care attendant, orientation and training of the consumer, and fiscal conduit services necessary for delivery of personal care assistance services to consumers."

COMMENT: The department received one (1) comment asking to remove the words “consumer’s spouse” from the definition of adjusted gross income.

RESPONSE: The department carefully reviewed the comment and will not make changes in the language of the amendment as section 208.930, RSMo Supp. 2005 requires the consumer’s spouse’s income to be included when determining eligibility for financial assistance for consumer-directed personal care assistance services.

COMMENT: The department received one (1) comment asking for clarification that the definition of “live independently” in a non-institutional or unsupervised setting does not include an ISL (Individualized Supported Living) situation.

RESPONSE: The department carefully reviewed the comment and will not make changes in the language of the amendment. Individualized Supported Living (ISL) is a service offered by the Department of Mental Health (DMH) through a home and community based waiver. Services are provided to assist individuals living in their own homes and does not constitute a living arrangement. In many cases, the individual does not receive twenty-four (24) hour assistance.

COMMENT: The department received one (1) comment asking to clarify the definition of Non-Medicaid Eligible to allow consumers the right to deny Medicaid.

RESPONSE: The department carefully reviewed the comment and will not make changes to the language as section 208.930, RSMo Supp. 2005 requires that the Department of Social Services finds the applicant not to be eligible to participate under guidelines established by the Medicaid state plan.

ORDER OF RULEMAKING

By the authority vested in the Department of Health and Senior Services under sections 208.903, 208.906, 208.909, 208.921, 208.924 and 208.927, RSMo Supp. 2005, the department amends a rule as follows:

19 CSR 15-8.200 Eligibility is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on January 17, 2006 (31 MoReg 101-103). This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received five (5) letters of comment from centers for independent living, vendors for consumer-directed services.

COMMENT: The department received three (3) comments asking for a time frame in which copies of the plan of care will be provided to the consumer and the vendor, such as “prior to the plan of care effective date.”

RESPONSE: The department carefully reviewed the comments and will not make changes to the language as the use of such a specific time frame could hinder the department’s ability to respond in an emergency or critical situation. The department is committed to supporting the health, welfare and safety of the populations it serves and wishes to retain the flexibility needed to meet those objectives.

COMMENT: The department received four (4) comments asking that the word “or” be removed in section (4) as the assessment and evaluation are two (2) different processes.

RESPONSE: The department agrees that completion of an assessment and an evaluation are both important parts of the eligibility process. However, it may not always be necessary to complete a new assessment when making a change to an existing plan of care. Therefore, the department will not make changes in the language.

COMMENT: The department received three (3) comments asking that the consumer be required to notify the department and the vendor of any changes affecting the plan of care and/or the consumer’s residence by removing the word “or” between the department and vendor in subsection (6)(D).

RESPONSE: The department carefully reviewed the comments and will not make changes in the language as the primary responsibility for case actions lies with the department. Both the department and the vendor have the responsibility to work collaboratively in meeting consumer needs, including the prompt exchange of communication regarding a consumer’s circumstances.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received one (1) letter of comment from a center for independent living, a vendor of consumer-directed services.

COMMENT: The department received one (1) comment asking to include the medical expenses of a spouse and minor children when determining allowable medical expenses for the Non-Medicaid Eligible (NME) program.

RESPONSE: The department carefully considered the comment and will make no change in the language of the rule. The department reviewed section 208.930, RSMo Supp. 2005 which states: “The department shall require applicants and the applicant’s spouse, and consumers and the consumer’s spouse, to provide documentation for income, assets, and disability-related medical expenses for the purpose of determining financial need and eligibility for the program.” The department believes it is appropriate to allow the medical expenses of a spouse, but finds no basis for allowing the medical expenses of minor children.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received six (6) letters of comments, five (5) from centers for independent living, vendors of consumer-directed services, and one (1) from a proposed vendor of consumer-directed services.

COMMENT: The department received five (5) comments asking for clarification of the requirement for vendors in the consumer-directed services program to demonstrate the independent living philosophy by requiring them to provide services that promote the consumer's ability to live independently. The evidence of an organization's philosophy can only be witnessed by how it operates the program.

RESPONSE: The department carefully reviewed the comments and will make no changes in the language of the rule. The department would point out that section 208.918, RSMo Supp. 2005 provides clear direction regarding the requirements that must be met by vendors of the program.

COMMENT: The department received one (1) comment asking that the timelines for submission of quarterly financial reports and the annual audit report be extended.

RESPONSE AND EXPLANATION OF CHANGE: After careful review of this issue, the department agrees that extending the time periods for submission of required financial reports is appropriate. Quarterly financial reports shall be submitted thirty (30) days after the end of the calendar quarter, and the annual audit shall be submitted within one hundred fifty (150) days of the close of the vendor's fiscal year. Subsections (7)(G) and (7)(J) are reprinted here for clarity.

SUMMARY OF COMMENTS: One (1) comment was received by the Department of Health and Senior Services from Marlene Anderson, Director of Operations, Missouri Health Care Association, addressing the proposed amendment.

COMMENT: Ms. Anderson suggested that the phrase “except that residents who are enrolled in Medicare Part D may choose a pharmacy included in the resident’s Part D plan” be deleted from the end of section (37), as it required the use of a particular pharmacy regardless of the quality of services or the ability of the pharmacy to deliver medications as required by the facility’s medication distribution system. Ms. Anderson believed that facilities and resident/families should be permitted to work out the transition to a Medicare Part D plan that will be covered by a pharmacy available to the facility, as

contemplated by the open enrollment period available to those entering or leaving long-term care facilities.

RESPONSE AND EXPLANATION OF CHANGE: In response to comments received the department is deleting the second portion of the sentence by placing a period after the word “facility” and deleting the remainder of the sentence.

ORDER OF RULEMAKING

By the authority vested in the Board of Nursing Home Administrators under section 344.070, RSMo 2000, the board amends a rule as follows:

19 CSR 73-2.050 Renewal of Licenses is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on January 17, 2006 (31 MoReg 114–116). No changes have been made in the text of the proposed amendment, so it is not reprinted here. SUMMARY OF COMMENTS: The board received three (3) letters of comment; one from the Missouri Health Care Association (whose membership consists of for-profit nursing homes) and two (2) from

licensed nursing home administrators, Patrick McCann and Jack Whitaker.

COMMENT: All three (3) letters of comment expressed concern with the board's proposal to phase out carry-over hours for license renewal. Patrick McCann objected to the phase-out provisions, stating he likes to accumulate hours in excess of the required twenty (20). He likes to take courses based on the content and not the assigned clock hours and finds there are numerous programs he wants to attend to gain knowledge and learn from others. The carry-over provision preserves a tangible value to those hours. Jack Whitaker requested reconsideration be given to the proposed phase out of carry-over hours. The Missouri Health Care Association objected to the change of not allowing carry-over hours from one licensure renewal to the next. Nursing home administrators have a continuing need to be current and up-to-date on changes taking place in their profession. Being able to count those hours towards their license is an incentive to keep current.

RESPONSE: The board recognizes the concerns with phasing out carry-over hours because the carry-over provision was created in 1979 for the very reasons expressed in the letters of comment. However, we do not think the amendment phasing out carry-over hours will cause a hardship for our licensees due to the licensee's ability to now attain forty (40) clock hours of continuing education anytime during a two (2)-year period. Currently, a licensee has one (1) year to attain a minimum of twenty (20) clock hours. Any hours beyond the twenty (20) attended (up to a maximum of fifteen (15)), are carried-over for the next renewal period. The amendment will convert the annual renewal to biannual, which will be fully implemented by June 30, 2007. Carry-over hours will be granted in June 2006 and used to renew in 2007 or 2008. Licensees renewing after 2008 will have two (2) years to attain forty (40) clock hours of continuing education without the benefit of carry-over hours. If a licensee experiences a major medical event, or some other circumstances that would prohibit him/her from attending continuing education programs for a short period of time, there are ample programs available each year to meet their educational needs. There were more than one thousand (1,000) clock hours available during FY04 and more than eight hundred (800) hours available during FY05 covering a wide range of topics. Therefore, because a licensee has two (2) years to attain forty (40) clock hours, and because there are ample hours available during any twelve (12)-month period, the very reasons the carry-over provision was created no longer exist. No changes have been made to the rule as a result of these comments.
